I normally work M-F 7-3, and the lab phone number is 413-545-2607. If you call after ~4:30, you can leave a message on 413-545-2601. And email is always an option - I check it at least a few times a day at work, and normally I would check it at home, but I've been having some issues with my laptop, so I can't guarantee that I would get it there.

Thanks. What is the best way to get in touch with you?

Yes, I should be available in Springfield on Tuesday, November 3rd (I already have a case scheduled that day with ADA Weissman). Please keep me informed if/when you find out more (i.e. definite plea, continuation, etc.) and what time you would need me there, or if I will be on-call. Thanks.

Hello Sonja.

You tested some heroin in this case. I was called in for trial on Monday. It should be a plea, but I don't know at this point. Are you available to testify on Tuesday, if necessary? In Springfield? Thank you.
